- 25 years of medical tourism experience
- Treating patients from any corner of the world
- Fast & professional response to patients' requests
- Immediate access to treatment
- Customized treatment plan and price quote
- Full price transparency and no hidden costs

# About Shemer

## 2. Strategic Collaborations with Israeli Hospitals

Shemer works closely with Bnei Zion Multidisciplinary Hospital, a big hospital in Haifa, Israel, with 400 beds.

**Furthermore, Shemer collaborates with the top leading hospitals in Israel,** in order to select the exact and most suitable medical center for each and every patient:

1. Tel Hashomer (Sheba) Hospital
2. Ichilov Hospital
3. Rambam Hospital
4. Hadassa Hospital
5. Schneider Children's Medical Center
6. Lowenstein Rehabilitation Hospital
7. Alyn Hospital

Each Patient is treated at the hospital best suited for **their condition**.

Examples:

1. Pediatric Oncology – Treated at Schneider Children's Medical Center, Israel's leading pediatric hospital.
2. Bone Marrow Transplantation – Treated at Sheba Medical Center, Israel's top Hemato-Oncology Center.
