

Shemer Medical Center is a private institution located within Bnei Zion Hospital in Haifa, a large governmental hospital. We are leading the medical tourism field in Israel for 25 years, welcoming patients from Eastern Europe, Russian-speaking countries, and a wide range of African countries.

## Our Main Advantages

We partner with the leading hospitals and medical centers in Israel, including:

- Hadassah Hospitals (Jerusalem)
- Shaare Zedek Hospital (Jerusalem)
- ALYN Hospital (Tel Aviv)
- Sheba Medical Center (Tel Aviv)
- Ichilov Hospital (Sorasky) (Tel Aviv)
- Beilinson Hospital (Petah Tikva)
- Schneider Children's Medical Center (Petah Tikva)
- Lowenstein Rehabilitation Hospital (Central Region)
- Reuth Hospital (Tel Aviv)
- Bnai Zion Hospital (Haifa)
- Rambam Hospital (Haifa)

## Personalized Treatment Plan Adaptation:

Each patient is treated at the hospital which specializes in their specific condition, ensuring not only the highest level of care in Israel but also the ideal treatment for their specific illness.

## Additional Services

### 1. Remote Medical Consultation:

We offer remote consultations and second opinions in addition to treatments in Israel.

### 2. Patient Support Services:

Shemer Medical Center assists patients from the decision to travel to Israel through treatment completion, including:

- Visa coordination with the Israeli embassy.
- Transportation arrangements (airport transfers and local travel).
- Hotel bookings.
- Treatment scheduling and follow-up.
- Resolving issues for patients or companions.

### 3. Initial Estimate Steps:

Submit recent medical records, including imaging, for specialist review and treatment cost estimation.

### 4. Visits and Tours:

Enhance your stay with visits to holy sites (Nazareth, Jerusalem, Jordan River, etc.), the Dead Sea, Bahá'í Gardens, or Tel Aviv. Agricultural and irrigation technology tours are also available. Note: Extra charges apply, and early planning is required.
